PROFILE

I am a front-end developer with experience building applications with HTML, CSS, SCSS, Javascript and React. I am passionate about developing impactful connections between users and technology.

Coming from a background in brand marketing, I've developed strong project management skills and the ability to develop new ideas into deliverable products.

THE GOOD STUFF

- Craft Cocktail Connoisseur
- Baking Aficionado
- Vinyl Record Collector
- Aussie-Doodle Dad

- Accessible code
- Intuitive and curious

EDUCATION

JUNO COLLEGE OF TECHNOLOGY
2023

UNIVERSITY OF GUELPH (B.COMM, CO-OP)
2015 - 2020

PROJECTS

SHOE KLOSET - MULTI-PAGE WEBSITE
HTML | SCSS | Git | JavaScript
Repository | Live Site

- Brought a flat design to life as a responsive, multi-page site using front-end technologies and techniques.
- Provided a great user experience on all screen sizes.
- Ensured all code followed best practices and standard for accessibility.
- Added pop-up and hamburger menu features using JavaScript.

GAINS 4 DEVS - FIREBASE / API CALL AND RETURN APP
HTML | SCSS | Git | JavaScript | Firebase | API | JSON
Repository | Live Site

- Created a simple app to provide time-strapped individuals with workouts and fitness inspiration.
- User fills out form which will filter information in our database, and return a random set of workouts that fit with desired workout goals.
- Collaborated with fellow developer using GitHub and branching to ensure cohesive effort and efficient workflow.

EXPERIENCE

MARKETING SPECIALIST - AGI (AG GROWTH INTL.)
May 2020 - December 2022

- Collaborated with sales leaders and designers to create all digital, social and print go-to-market materials for new product launch resulting in effective roll-out to North American markets.
- Lead planning and execution of all North American trade shows resulting in the generation of 200+ sales leads while successfully managing budget.
- Increased social engagement and website user experience as marketing lead for 4 specialty brands through creative copywriting and UI design.
